

**IRISH ASSOCIATION FOR  
INFANT MENTAL HEALTH**

**Affiliated with**

**Here are some of the main benefits  
IAIMH membership offers:**

- Networking opportunities to connect with people in other locations and with other agencies around Ireland who are also interested in progressing infant mental health. Get to know those in your own area who may also be interested.
- Advocate for the services and supports required to progress the healthy social and emotional development of babies and toddlers.
- Avail of access to free online WAIMH Journal -Perspectives in Infant Mental Health and receive updates on infant mental health
- Receive early notification regarding IMH events taking place around Ireland and internationally.
- Contribute to the development of Infant Mental Health in Ireland.
